Hon'ble Prime Minister of India

“

It has been 20 years since the beginning of the Vibrant Gujarat Summit. In these two decades, this initiative has been a trailblazer and trendsetter. It showed that thinking big is the first step of making a big impact. It showed how a State of India could institutionalize a way to connect Indian and international investors with the aspirations of our youth. It also set a national benchmark which many States successfully emulated, thus strengthening the Indian economy. As always, Vibrant Gujarat Summit continues to achieve new heights with the vision of a prosperous Gujarat for a self-reliant India.

THE GUJARAT GROWTH STORY

Gujarat stands as a powerhouse of India's economic and industrial landscape. With a legacy of entrepreneurship and a forward-looking growth model, Gujarat has consistently led the way in shaping India's development story.

Its GSDP is projected to reach ~USD 630 Bn by FY 29-30 growing at a decade-long CAGR of over 14%. In FY 2024-25, Gujarat recorded merchandise exports worth USD 116 billion, accounting for approximately 27% of India's total merchandise exports, reinforcing Gujarat's status as a global trade powerhouse.

Gujarat has established itself as a national leader in diverse sectors including Auto Textiles & Apparels, Gems & Jewellery, and Chemicals & Petrochemicals, among others. The state's economic presence is expansive and multifaceted, from holding the distinction of being India's petroleum hub to leading the world in diamond polishing, with 8 out of 10 diamonds being polished in Surat. Gujarat also accounts for close to 70% of India's denim production, reinforcing its stature as a dominant force in the textile industry.

With visionary projects like GIFT City (India's first International Financial Services Centre), and major investments in Semiconductor & Electronics, Electric Vehicles, Green hydrogen and Renewable Energy, Gujarat is steering India's journey toward a self-reliant, future-ready economy.

This progress aligns seamlessly with the national mission of Viksit Bharat, and lays a robust foundation for Viksit Gujarat with world-class infrastructure, inclusive growth, and global competitiveness converge. Supported by transformative policies, thriving industrial corridors and tourism icons like the Statue of Unity, Gujarat remains a powerful symbol of India's unwavering march toward progress.
